

My50

Low Price, High Quality. We reduced the product price.
But, we did not renounce to quality!

 **FIMAP**[®]

Available equipment:

STANDARD EQUIPMENT	My50 E	My50 B
Water and detergent management		
Eco On/OFF System* - Water filter	optional	optional
Fast water filling with drip stop	•	•
Water level indicator	•	•
Scrubbing performance		
Squeegee with rubber blades usable on 4 sides	•	•

STANDARD EQUIPMENT	My50 E	My50 B
Comfort		
FNC (FimapNoiseCanceling)	•	•
Fully sanitizable tanks	•	•
On-board battery charger	-	optional
Hour meter	•	•
Battery warning light	-	•
Battery charge level	-	•
Automatic brush coupling and uncoupling	•	•
Safety		
Non-marking wheels	•	•
Squeegee with shock-resistant coupling (BREAK AWAY)	•	•
Dead man's switch	•	•

* Eco ON/OFF system: automatically stops water flow when the machine is stationary.

My50

My50 E/B scrubbing machine.
AFFORDABLE,
because it does not need skilled operators for driving!

USER FRIENDLY DESIGN
No operator training

You can start working with just 3 quick and simple operations!

Fill in the solution tank and
switch on the machine!

Lower
the squeegee...

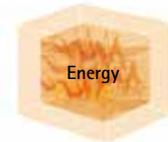

... and start to work!

My50 E/B scrubbing machine. AFFORDABLE, because it offers more autonomy

Autonomy up to 3 hours with 1 full charge

Non-stop work up to 1 hour and 2.000 sq.m
with 1 fill of solution

System to adjust water consumption
according to cleaning needs

My50 E/B scrubbing machine.
AFFORDABLE,
thanks to the new squeegee in reinforced plastic.

It is safer, because more
resistant to impacts and
corrosion.

Automatic squeegee uncoupling when
accidentally impacted

My50 E/B scrubbing machine. AFFORDABLE, because it is simple in maintenance operations!

**It can be easily cleaned at the end of cleaning operation, even by untrained operators.
It is quick to be cleaned!**

The easy identification of the parts involved in the daily maintenance (with yellow colour) ensures all parts' check and sanification at the end of work, guaranteeing the maximum efficiency of the machine

Empty and sanitize...

Clean the filter!

Clean the squeegee!

... recharge!
(Battery version)

An on-board charger option makes battery re-charging safe and easy (on request)
