# meta VAC

The META VAC is the perfect vacuum cleaner for daily maintenance cleaning. Its high suction power and low noise level are the most appreciated advantages where cleaning must be done quickly and efficiently: in hotels and restaurants, in offices and shops, as well as in buildings.

Standard accessories:

2m suction hose • **Stainless steel tubes** • High efficiency brush • **Small brush**  
**Flat lance** • Double layer paper bag

Hose holder clip: it offers the possibility of positioning the suction hose.

Detachable cable and cord support: for easy exchange and protection of the cable.

Accessory holder: handy in the practical basket.

Practical rear basket: for storing 12 m of cable.

Illuminated button: on / off switch.

# meta VAC plus

Practical all-rounder:  
the META VAC PLUS is a powerful  
and modern universal vacuum cleaner  
suitable for use on carpets and hard floors.  
With low noise level and other innovative  
features, it meets the high demands  
of daily professional cleaning in hotels,  
offices, restaurants, retirement homes  
and other areas where thorough  
cleaning results are required.

Standard accessories:

3m suction hose with reinforced ends • **Stainless steel tubes** • High efficiency brush  
**Small brush** • Flat lance • **Closeable, double layer paper bag**

Hose holder clip: it offers the possibility  
of positioning the suction hose.

Detachable cable and cord support:  
for easy exchange and protection  
of the cable.

Accessory holder: handy in the  
practical basket.

Practical rear basket:  
for storing 12 m of cable.

Illuminated button:  
on / off switch with integrated  
**power regulator**.

2 large rear rubber wheels.

Flex hose: with reinforcement  
at the ends for more resistance  
to breakage.

Quick-Change Motor:  
for easy swapping out if the  
motor is faulty.
